

TASB FACILITY SERVICES

Bond Election Planning and Assistance

Planning

Compliance

Construction

Energy

TASB Facility Services can assist your district with the daunting task of preparing for a bond election. Aside from the actual need for the bond, there is so much that goes into calling for and holding a successful bond election. TASB has the expert personnel to help districts that are navigating through the bond process, including:

- Evaluating district facility needs
- Establishing bond project scope
- Developing and implementing election strategies
- Effectively communicating with the public

WE KNOW SCHOOLS INSIDE AND OUT

TASB Facility Services offers a wide array of programs tailored to school districts to assist with facilities-related matters.

- Environmental and facilities regulatory compliance reviews and training
- Licensed asbestos, lead, and mold planners/agency
- Maintenance and operations staffing analysis services
- Facility assessment and long-range planning
- Bond planning and election assistance services
- Energy efficiency and conservation services and training
- Construction project assistance services
