I graduated Midway ISD in 1985 and continued my education at Tarleton State University where I received a Bachelor's of Science in Computer Information Systems. I started my career with General Dynamics and later on to Cap Gemini America then on the Comsys Consulting. I opened my own computer consulting firm in 1997 specializing in warehousing using SAP software.

I met my wife Lori while in high school and we attended Tarleton State together getting married in 1988. Lori and I have three kids that all graduated from Midway ISD, two Salutatorian and one Valedictorian.

I have served on several board besides the local school board. I served including the Bluegrove Water Supply Corporation where I served as President for eight years. I also have been on the volunteer fire department for 18 years and currently serve as Chief.
