ADDITIONAL COMMENTS

I would love the opportunity to serve as the ESC 9 representative on the TASB Board of Directors.

Please attach a short bio and include a current picture in jpeg format.

My name is Chris Hamilton and I currently serve as the board president for Montague ISD. I have been married to my wife Kyla Keck Hamilton for 34 years and have 4 beautiful daughters and 8 grandchildren that I proudly adore. I have been a resident of Montague since age 9, and attended elementary school at Montague, high school at Nocona, junior college at N.C.T.C., and attended Sam Houston State University.

I am an active member of Saint William's Catholic Church in Montague, where I serve as a lector. I had the privilege of serving Montague County at the Sheriff's Office for 18 years, half of those as Sheriff. I hold a Masters Peace Officer Certificate, am a licensed instructor and firearms instructor. While Sheriff I was recognized as Peace Officer of the Year, received an F.B.I commendation, and a Governor's commendation.

After leaving the office at the end of 2004, I went to work in the oil field, where I remain. During this time I began as an equipment operator, and worked my way up to pump operations manager and lead field analyst. My duties there have prepared me to work comfortably in large personnel and budgetary matters, having been task with human resources, job costing, utilization, budget preparation, monitoring, safety, and DOT regulations. I have been active in community affairs for many years.

I have served on the Montague I.S.D. Board of Trustees for 27 years, and half of those as President. I have been a member of the Montague Volunteer Fire Department for 31 years, and was President twice. I have also been on the Nocona Little Dribbler's Board of Directors, Knights of Columbus, was the original 911 addressing chairman, and one of the original members of Tri-County Child Abuse Response Team.

I feel my qualifications and experience as a Texas Peace Officer and Sheriff, school board president for many years, and large budget analyst, human resources, safety and DOT manager would allow me to effectively serve you as the ESC 9 representative on the TASB Board of Directors. If elected, I will listen and learn and will strive to have unity in all facets during my term.
