ADDITIONAL COMMENTS (Use reverse side if additional space is required.): _____

In 2012 I was elected as the youngest board member ever in Crowley ISD at 29, after serving 8 on the board I'm and being the second longest serving current member, I'm still the youngest member of the board. In 2018, I ran as pro-public education candidate for the Texas House of Representatives

against an incumbent generally seen as very unfriendly to public education. After narrowly losing that election my business has continued to expand and when it came to run again I decided that the time requirements of what is essentially a full time position as State Rep. was not something I could commit to while continuing to oversee my business. However, running my own business I have considerable flexibility and plenty of time to commit involvement with TASB.
