Raymond P Meza

I have always served my community in organizations that help improve the quality of life for residents of De Rio. I started teaching when I was 21 years old. I received my certification in Early Childhood Education and my Bilingual Certification in my first year of teaching. I have served as a kindergarten and secondary science teacher. I have worked as an Elementary Assistant Principal, Elementary School Principal, Head Start Director/Principal and Middle School Principal. Upon my retirement, (after one year) I decided to run for election on the school board. I was elected and after being sworn in I was elected as board president. I have served on my board for the past 13 years. I joined Leadership TASB and became a 2012 Master Trustee . I am currently the Region XV Director with MASBA, I serve on the TASB Budget and Finance Committee and the Employee Benefits Cooperative
