William Foster
Caldwell Independent School District

Bio-

William Foster grew up in Austin, TX. He graduated from Anderson High School. William was a member of Troop 55 at St. Johns UMC and achieved Eagle Scout status. He was also involved in the Youth program at his church in High School, and worked with the same group as a college student. William graduated from SWTSU in 1989 with a Bachelor of Arts degree in Music Education. He became Director of Music in Thorndale I.S.D. Although he was not a founding member, William joined other small school band directors to build the Association of Texas Small School Bands that has since joined Texas Music Educators Association in the All State Band endeavor. In 1992, William moved to Caldwell I.S.D. where he taught for the next twenty four years, and retired in 2016. During his time in Caldwell, he had many award winning bands, and began his career as an adjudicator for the UIL Contests as well as a clinician working with region bands across the state. Through this time William also organized the All State Band in San Antonio on numerous different occasions. After retirement William was elected to the CISD School Board in 2017. He soon found himself presenting for TASB at multiple conferences, and this past year has been the Board President at Caldwell I.S.D. In 2016, William spent two months in Florida training with Foster Learning Corp to teach the Working Leadership course that is highly sought after by many businesses to train their managers. Since completion he has taught many classes that have included school principals as well as businesses of the Brazos Valley. William has been nominated for a position on the TASB Board to represent Region VI, he looks forward to bringing his experiences to this table in order to help Texas educational leadership to provide the students of Texas opportunities to succeed.
