To whom it may concern,

My name is Jeff Striplin and I am interested in being a candidate for the TASB board of directors.

I have been married to my wife [REDACTED] for nearly 28 years and we have two teenaged children, [REDACTED] and [REDACTED]. [REDACTED] is a teacher's aide at Bland ISD in Merit Texas, I am an Assistant Water System Manager – Treatment for North Texas Municipal Water District in Wylie Texas. We live on a small ranch in Hunt County where we raise dairy replacement heifers and club lambs, we also run a cow-calf and stocker calf operation.

I have always believed in giving back to my community, I have found the best way of doing this was and is to serve on the board of trustees of my local school district. I soon realized public education had tough issues facing it, needing strong leadership both at and past the local level, I have dedicated myself to giving back to public education as a whole by taking on extra training, serving as a voting delegate at the TASB assembly, attending grassroots meetings and becoming a LAC member. I have the passion and love for public education that would make me a strong board member for TASB.

Aside from serving public education I am also actively engaged in several other organizations and associations. Through involvement in these other areas I have gained experience and knowledge in finance, governance, policy development and strategic planning.

Best regards,
Jeff Striplin
