

**Exclusion from Extracurricular Activities and Certain Elective Courses
for Students Receiving All-Remote Instruction**

July 22, 2020

Texas Education Agency (TEA) [guidance](#) authorizes school districts to develop local policy that would exclude students who are receiving all-remote instruction from participating in extracurricular activities and elective courses open only to students in a particular University Interscholastic League (UIL) activity. The guidance states that the policy may apply to all students who are learning remotely or only to interdistrict transfer students who are learning remotely and that the exclusion policy must otherwise be applied equally to all students and to all extracurricular activities.

If your district wishes to follow this guidance, please contact the district's TASB Policy Service [consultant](#) for a sample board resolution and to discuss options.
