TASB 2020-21 Student Video Contest Judging Form

Category
_____ Elementary School
_____ Middle School
_____ High School
Campus Name _____
District Name _____

Goals / Students are asked to create a video that illustrates:

- A challenge your school has faced and how you overcame it
- The life skills taught in your school to help you push past adversity
- How your school has rallied together in hard times
- How and why Texas public schools are strong, resilient, and successful

Videos will be judged on a range of 1 to 10 using the following values:
Fair = 1, Good = 5, Excellent = 10

Judges: circle the number in each category that rates how well the school performed.

Creativity (20%) Definition

- Is this an interesting way to tell your story?
- Does it grab the audience's attention?
- Does it make full use of image and audio to share your message?
