COMMISSIONER WAIVER: NO ANNOUNCEMENT BEFORE MAY 2, 2020 ELECTION

On March 30, 2020, the commissioner waived board training requirements in Texas Education Code section 11.159 and 19 Texas Administrative Code section 61.1 for all districts until September 1, 2020. School districts do not need to apply for these automatic waivers.

A school district that conducts a trustee election on May 2, 2020 is not required to report on board member training at its last regular meeting before that election. Unless modified by another waiver by the commissioner, a school district that postpones its May 2, 2020 election until the November 3, 2020 election will now have its annual announcement before that election.

BASIC LEGAL REQUIREMENTS

When: At the last regular meeting of the board before an election of trustees

Recommended Annual Announcement: Even if a school district does not conduct an election in a year due to a November two-year election cycle or election cancellation when there are no opposing candidates, TASB recommends that districts still annually announce based on the time
when the trustee election would be normally held. Annual announcements will provide consistent public transparency and accountability.

**General Content of Announcement:** The name of each member who as of the member’s anniversary of election or appointment to the board:

- Has completed the required continuing education;
- Has exceeded the required continuing education; and
- Is deficient in meeting the required continuing education.

**Meaning of Deficient:** TASB interprets deficient to mean that the board member has failed to complete the required continuing education in the time period provided for by law.

**Continuing Education Tiers:** Board member continuing education is commonly described as having four “tiers” or categories:

- Tier 1 local district orientation, basic legal orientation and legal update training;
- Tier 2 team-building training with all board members and the superintendent;
- Tier 3 annual continuing education; and
- Tier 4 evaluating and improving student outcomes.¹

**Minutes on Announcement:** The board meeting minutes must reflect the announcement and whether each trustee has met or is deficient in meeting the required training as of the first anniversary of the date of the trustee’s election or appointment.

**Posting Minutes:** If a trustee is deficient as of the anniversary of joining the board, the district must post the minutes on the district’s Internet website within 10 business days of the meeting and maintain the posting until the trustee meets the requirements.

**ANNOUNCEMENT PREPARATION**

**Review TASB Resources:** TASB recommends that the board president and all other board members review the following TASB FAQs that answer questions about the continuing education requirements:

---
¹ This category of required training was added by the 85th Session of the Texas Legislature in 2017 as part of Senate Bill 1566. The training is still sometimes referred to by the bill number (“1566”). The Texas Education Agency refers to the training as “EISO” for Evaluating and Improving Student Outcomes. Other providers call the training Student Achievement training or “Tier 4.”
• *Texas School Board Member Continuing Education* is a comprehensive FAQ that includes information about required continuing education, reporting continuing education credit, the board meeting announcement, and posting the minutes on the announcement.

**Determine Status of Compliance:** Prior to the meeting when the announcement is made, the Board President will need to review with each member whether the board member has completed, exceeded or failed to satisfy the required continuing education training.

**Board Members with Time Remaining:** If at the time of the announcement a board member has time remaining to complete training, TASB recommends that the Board President first note those members with training scheduled that timely meets the continuing education requirements. Next, the Board President will note any members who have time remaining to complete required training that has not yet been scheduled. In the subsequent year, actual completion or deficiency as to training should be announced as applicable.

**Review the Announcement Script:** The announcement script is separated into six parts that explains the announcement to the public and then provides a record to complete that will comply with the requirements for the minutes of the meeting:

- Board President Introduction of Announcement
- Tier 1 Orientation and Legal Update Training
- Tier 2 Team-Building Training
- Tier 3 Annual Continuing Education
- Tier 4 Evaluating and Improving Student Outcomes
- Exceeding Required Continuing Education

**Complete the Announcement Record for Tiers 1-4 and Exceeding Training:** For each of Tiers 1-4, and for training that exceeds the required continuing education, insert the applicable information on the announcement pages. TASB recommends that the Board President direct that the pages as announced be attached to the meeting minutes. The minutes must be posted to the district’s Internet website within 10 business days if any trustee is deficient in required training.

**BOARD PRESIDENT INTRODUCTION OF ANNOUNCEMENT**

**Board President:**

Under State Board of Education Rule, completing required continuing education each year of service is a basic obligation and expectation of any sitting board member.
As Board President (if Board President is absent, then replace with “Presiding Officer of the Board”), I am required to announce the name of each member who as of that member’s anniversary of election or appointment to the board:

- Has completed the required continuing education;
- Has exceeded the required continuing education; and
- Is deficient in meeting the required continuing education.

There are four tiers, or categories, of board member continuing education:

- Tier 1 local district orientation, basic legal orientation and legal update training;
- Tier 2 team-building training with all board members and the superintendent;
- Tier 3 annual continuing education; and
- Tier 4 evaluating and improving student outcomes.

To the extent applicable to board members under the legal requirements for the four tiers, I will announce the completion or deficiency as to required training.

For members who still have time remaining to complete required training, I will announce those board members who have scheduled timely training and those who have not yet scheduled the training.

At the conclusion of this announcement, I will announce any board member’s training in excess of the continuing education requirements.
